ANNUAL TRADE NUMBER.

—CONTAINING—

A COMPLETE REVIEW OF THE YEAR.

Fifty-six Large Pages. Equivalent to a Two Hundred Page Book.

The Annual Trade Number of **THE TIMES** now ready, is the most complete and in-

NOTABLE FEATURES.—It contains a business review of the year, embracing a great mass of valuable facts bearing on the city and county; a thorough exposition of our natural resources—mineral, vegetable, commercial and climatic; a review of the rise and progress of the boom, with solid proofs that the country is now in better condition than it was during the height of the real-estate excitement; a full and complete description of the varied inducements which Southern California offers to the health-seeker, the home-seeker and the tourist, besides a number of interesting and valuable special articles on pertinent subjects. It contains more solid information about the country than could be crowded into any other publication of the same size, and is a most interesting and instructive volume of a few minutes' time in writing, the guide to you, your family and friends. More information

on what you could write in a month, even if you had all the facts at hand. For a dollar you can supply ten families in the frozen East with information that may lead them to join the army of pilgrims to Southern California, to their own and this country's advantage. Thus, whether viewed from the standpoint of friendship or self-interest, it will be seen that no better use can be made of a dollar than by purchasing the rewritten ten copies of the great Annual Trade Number of THE ILLUSTRATED. One-tenth of the pleasure can be bestowed in any other way for the same amount of money.

CITY FATHERS.

PINE-STREET ROUTE GRANTED THE SOUTHERN PACIFIC.

The City's Interests Have to Go to the Wall Before the Persuasive Eloquence of the "Magnates"—The Sewer Question Laid Over.

The regular weekly meeting of the City Council was held yesterday, with President Kuhns in the chair and the following members present: Barrett, Bryant, Bosbyshell, Cohn, Earl, Ford, Hanley, Humphreys, McNally, Moriarty, Shafer, Sinsbaugh and Wilson.

The reading of the minutes consumed just one hour, and when this was concluded the usual message from the Mayor reporting the sales of water permits for the week was received and placed on file.

Capt. Barrett moved that the City Surveyor be instructed to furnish the assessments on Los Angeles street, so that the thoroughfare may be opened from Twelfth to Pine streets.

Assistant City Attorney Dunn, who suggested the proceeding, also asked that the City Surveyor be instructed to prepare a map of the Pioneer Building Association tract, in order that proceedings may be taken for the opening of Mozart street; also that a warrant be drawn for \$50 in favor of the City Attorney, with which to pay fees for the filing of papers in suits brought on behalf of the city.

Mr. Dunn explained that the parties public and the clerks of the Superior Court would not credit the city or anybody else for one cent, so on motion the warrant was ordered drawn.

The Auditor's inventory of property belonging to the city which had been turned over to Clerk Styles, his successor, was then presented and received by Mr. Styles.

The Auditor's list of balances in the funds was then read, showing a balance on hand of over \$500,000, and referred to the Finance Committee, as were also the usual reports of the Sanitary and city justices.

Mr. Carr, Sanitary justice, reported that he had appointed John Clark, M. A. Deckman and Hugh Mulholland as his deputies, and asked that they be confirmed. So ordered.

The Clerk reported that he had appointed W. L. Price and George Horvath as his deputies, and asked that they be confirmed. So ordered.

The Street Superintendent reported that he had started to remove the water table on the corner of First and Main streets, placed there by the Hendrick Ice Company, but having found that it had been placed there by permission of the Council, he had refrained from carrying out his instructions. Referred to the Board of Public Works.

This officer also reported that the streets were not being swept in accordance with the specifications, and he could therefore not audit the bills presented by George Burlingame, and asked the Council for advice on the matter.

Mr. Cohn moved the report be received and filed and the contract be rescinded. Capt. Barrett said Mr. Burlingame had sent for a new machine of a much heavier caliber, which he thought would do the work in good shape. He had lost considerable money on his contract already, and now he had tried to get the work done in good shape it seemed hard to take away his contract.

Mr. Cohn said the contract had been drawn up in such a manner that there should have been no difficulty in having the work done properly if a proper machine was used.

Mr. Threlkeld said the Street Superintendent had carefully watched the machine, and had found it would not do the work.

Capt. Barrett moved as an amendment that the clerk instruct Mr. Burlingame to either sweep the streets in accordance with the specifications, and get a machine which will do the work, inside of 30 days, or else surrender his contract.

Mr. Ford was in favor of annulling the contract at once, and not foot with the proposition.

Capt. Barrett said Mr. Burlingame had not been able to get brooms for his machine for a long time, as there had been a corner on brooms in San Francisco, and he had only recently discovered where he could get them elsewhere.

Mr. Sinsbaugh was not in favor of further experiments, and hoped the contract would be rescinded at once.

Mr. Cohn's motion to rescind the contract was then put and carried.

The City Attorney asked that an abstract of the property on the corner of Aliso and Los Angeles streets be furnished him before he could pass on the quit claim deed asked for by Mrs. Mary A. Deckman, who was furnished with the necessary abstract.

In the matter of the tax on mortgages he asked for further time. Granted.

The Board of Trade sent a series of resolutions to the Council, asking that an outfall sewer be constructed, and that the West system be rejected. Referred to the Sewer Committee.

The same body asked that the houses of prostitution be removed from Alameda street. Referred to the Police Commission.

The same body asked for the creation of the office of Building Inspector and a suitable person be appointed to fill the position, and asked for immediate action in the matter.

Mr. Cohn moved that action on this matter be deferred until the new charter was heard from.

The Board of Public Works reported as published in THE TIMES yesterday morning, and the report was adopted seriatim.

In the matter of the request of Mr. Holgate, that he be paid \$100 for a strip of land on which the Daly-street bridge now rests, Capt. Barrett moved that he be paid the \$100, but only when he presents the title to the city for the land with the approval of the Probate Court, and that the city will not build the breakwater or levee asked for by Mr. Holgate, as they have no power in the matter.

Mr. Hanley moved that the Street Superintendent be empowered to put in drains and culverts on streets in East Los Angeles that have been graded, in order to prevent the streets being washed out. Referred to the City Surveyor and Street Superintendent, with power to act. So ordered.

It was recommended that for the future all permits for building materials in the streets be only given for a limited time, and that all permits allow for where due diligence is not being used to prosecute the work be rescinded. The Street Superintendent was instructed to attend to this matter.

On motion the matter of the Southern Pacific franchise was laid over and made the special order of business for the afternoon.

The Council then adjourned until 1:30 o'clock.

Afternoon Session.
The Council met at 2 o'clock, with President Kuhns in the chair, and, after the roll call, the Chair announced that the first order of business was the Southern Pacific franchise, when Mr. Hanley called attention to the condition of the approaches of the Daly-street bridge, and the Board of Public Works was instructed to expend \$200 for this purpose, the work to be done at once.

Mr. Earl called attention to the matter of transfers on the Kuhns-street railroad, and asked that it be at once attended to.

The question was raised that the franchise was the special order, and the Clerk read the recommendation that the Pine-street route be granted. The Chair ordered the Clerk to read the franchise, and he was about to do so, when Mr. Barrett, in a very dramatic manner, threw out a petition about 50 or 75 feet long, which he said was signed by the leading bankers and merchants of the city, asking that the franchise be granted. Dr. Sinsbaugh said that he supposed it was understood how many of these names were secured, when a little colloquy ensued between the gentlemen, in which Mr. Sinsbaugh and several others joined. This continued a few minutes, when the imposing petition was solemnly rolled up, and the Clerk proceeded to read the ordinance granting the railroad the Pine-street franchise, the condition of which have been heretofore published.

Capt. Barrett moved that the ordinance as read be adopted, which was seconded by Mr. McNally.

Dr. Sinsbaugh then addressed the Council, saying that he hoped that the best interests of the city would be served by this action, and that he hoped that one thing should not be lost sight of, and that was that the Southern Pacific should be compelled to fulfill its obligation in regard to selling tickets. Mr. Whaling continued until he was called to order, when Judge Bicknell, as attorney for the railroad company, asked about the matter of switches and turnouts, when Mr. Knox stated that the amendment was his own, and the reason for it was that the property-owners wished to prevent the further running of Pine street by putting down switches. This amendment had been adopted by the Council, and the reason for it was plain.

After some further remarks, Judge Bicknell, on behalf of the railroad company, declined Mr. Griffith's offer, and again asked the Council to grant the franchise as asked for, saying that as business men they were entitled to reasonable candor and business.

Mr. Knox again addressed the Council, after which Mr. Threlkeld spoke in favor of the Pine-street route, saying the best thing was to grant it, and then let the property-owners make their contract with the railroad company. He also favored granting the company switches and turnouts on Pine street, but wanted a section put in forbidding the stopping of any trains on any crossing more than two minutes in any one hour.

Mr. Sinsbaugh then addressed the Council, saying that it had been conceded by the railroad company that the Brawley route was the proper one, and they had taken care to get the franchise for that route, and the people had objected. This matter was a mistake, but now that the railroad company could get the very thing it wanted, it was not fair to let it go. He wanted to know something about it, who the men were and what their status was. There were other points that should be looked into, and he did not want anything of the sort in his city.

Mr. Cohn said that the best way to get the railroad across the Brawley route was to grant the franchise, as asked for, without any switches or turnouts, which would bring them to time.

Mr. Ford said that he would vote for the franchise, although he heretofore had opposed it. He said that he had been told that the franchise was a mistake, and he wanted to know something about it, who the men were and what their status was. There were other points that should be looked into, and he did not want anything of the sort in his city.

Mr. Cohn said that the best way to get the railroad across the Brawley route was to grant the franchise, as asked for, without any switches or turnouts, which would bring them to time.

of Messrs. Wilson, Barrett and Shafer, reported that he had carefully considered all the sewer propositions, and believed that the one made by the Pacific Sewerage Company, as amended, to be the best; therefore, it is recommended that the Council authorize said committee, with the City Surveyor and City Attorney, to draft a contract with said sewerage company, and submit the same at the next meeting of this Council, provided a contract can be secured upon the following terms: A minority report was also presented in opposition to the West sewer system, which, while it might do for Atlantic City, was not proper for a city like Los Angeles, when the situation and conditions were altogether different, and it would not do for the city to expend a large sum of money for an experiment, which it was believed would be a failure. The report recommended that the system of filtration be abandoned, and that steps be taken to secure the construction of an outfall sewer of sufficient capacity for present and future needs. The report is signed by E. R. Threlkeld and J. H. Bryant.

Mr. Cohn said before any action was taken he wanted a legal opinion as to whether or not the Council could make a contract for 50 years. If this could be done he would favor it.

Mr. Wilson explained his position, and Dr. Sinsbaugh followed in behalf of the West system, saying he had examined the infiltration system and favored it.

Mr. Hanley asked if any small could be detected at the works, and Dr. Sinsbaugh said it could not.

President Kuhns said there was a protest from property-owners against the erection of the works, when Mr. Barrett protested, but President Kuhns instructed the Clerk to read it, and it was done. The protesters said that if the Council does not give them justice they will at once evict the aid of the law in maintaining their rights.

Capt. Barrett then outlined the proposition submitted by the sewerage company, saying their own property, but wanted a section put in forbidding the stopping of any trains on any crossing more than two minutes in any one hour.

Mr. Cohn renewed his motion that the reports be referred to the City Attorney, in conjunction with the Sewer Committee, and report next meeting.

Mr. Threlkeld objected, saying that he regarded this as merely a means of fastening this thing on the city. Besides this, he did not like the way this thing had been done, as the company had first wanted to charge the city \$50,000, and had then offered to do anything that was wanted.

This company had been organized in Colorado, and he wanted to know something about it, who the men were and what their status was. There were other points that should be looked into, and he did not want anything of the sort in his city.

PASADENA NEWS.

THE PRESIDENT OF THE BOARD OF TRADE AND HIS REPORT.

Rev. M. N. Cornelius's Farewell—The Editors of THE TIMES:—The Board of Trade and Commerce, Pasadena, California, has the honor to acknowledge the receipt of your issue of January 7, 1899, containing the report of the President of the Board of Trade and Commerce, Pasadena, California, for the year 1898.

PASADENA, Jan. 7.—[Correspondence of THE TIMES.] The Editorial Association of Southern California meets in the rooms of the Chamber of Commerce, in the city of Los Angeles, tomorrow morning. A large attendance is expected.

Rev. M. N. Cornelius, pastor of the First Presbyterian Church in this city, will deliver his farewell charge to his congregation on next Sunday evening. A few days afterward he will move his family to San Francisco, where he has accepted the pastorate of the Howard Church. Rev. Cornelius delivered his first sermon here about three and three-quarter years ago, in a modest structure on California street. Today he is pastor of a large and flourishing congregation, who own the handsomest church structure in the city and the finest organ on the coast. We join in wishing Mr. Cornelius godspeed in his new field of labor.

Four sons of the Orient were baptized in the Methodist Church yesterday. More to follow.

Eight deaths occurred in the city during the month of December.

The lecture of Dr. W. L. McAllister tomorrow evening has been postponed.

The W.E.T. Club meets tomorrow evening at the residence of Prof. C. F. Holder, on Orange Grove avenue.

The members will appear in Dickens costumes.

The young married men, who gave so successful a treat in Williams' Hall last month, have decided to repeat the program of mazes. A calico party will be the attraction some time within two weeks.

Here's a how-de-do! This is a pretty state of things at the City Recorder's office as Justice of the Peace expired today, refuses to turn over the books and business of the former office to his successor, who entered upon his duties this morning.

The City Attorney has informed the Council that at the expiration of the office of a justice of the peace, the office of recorder is also vacant.

C. N. Terry, whose term expired Saturday, has an old and wise head than those who counsel to the contrary, and has decided to hold the fort until a higher tribunal orders him down and out.

The Pasadena Base Ball Club and the Los Angeles club will meet on the diamond in Sportsman's Park on Saturday afternoon of this week.

Both teams are evenly matched, and lovers of the national game can look for a close and exciting contest.

The Committee of the Whole of the City Council will canvass the sewerage question tomorrow afternoon in the Council chamber.

No meeting of the Board of Trade tomorrow afternoon.

The San Gabriel Valley Bank at the close of the last year showed resources to the amount of \$178,005.20, and the surplus and accrued interest to the extent of over \$25,000.

The nominal value of stock is 142, after expenses are deducted.

The Valley Hunt Club give a grand ball at the Carlton on the 17th inst. On Wednesday of this week they will enjoy a chase at Orange, where they will route and be entertained by the Count and Countess von Schmidt.

T. J. Fleming, well known hereabouts and formerly bookkeeper at the Carlton, has been appointed deputy County Treasurer. A good selection, and no better could have been made.

THE BOARD OF TRADE.

To the Citizens of Pasadena: Upon instructions from the directors of the Board of Trade of Pasadena, I hereby submit for your information the financial statement of the secretary of this board, showing the receipts and disbursements of moneys for the purposes for which the board was organized.

The directors now holding will soon retire from office, and their only regret will be that they have not been able to do more than they have done for the general good.

There remains, however, this satisfaction, that whatever this body has undertaken has been for the substantial advancement of our people, and has had for its object the promotion of the commercial interests of the city and its suburbs.

It appears from the statement that less than sixty citizens have borne the expenses which the board has been under for the past year. It seems an unwarranted hardship to throw the burdens of an organization of this public nature upon a few pockets.

There were, originally, 164 subscribers to the board. Of these only 61 have taken out the membership for which they subscribed.

It remains with the people to say whether the board shall be continued. Yours respectfully,

W. U. MASTERS, President.

PERSONAL.

H. Christie, the fashionable clothier, reported from a week's visit to the Bay City this morning.

Col. J. R. Bowler and wife are at San Diego for a brief sojourn.

C. H. Richardson is back from a six weeks' trip among the blizzard-stricken people of the Eastern States.

Park Michener is taking in the sights at San Francisco, and will return home tomorrow.

T. H. Hoffman of Rockford, Ill., is down on the Carlton register.

F. M. Underwood is home from a training trip to Yuma.

Dr. N. H. Ward and D. D. Merwin of Des Moines, Iowa, are among recent arrivals.

Thomas F. Flynn is sick and not expected to survive at his home on Orange Grove avenue.

W. M. Lacey, Jr., of Los Angeles was a visitor in the city today on business.

SUPERVISORS.

The Old Board Out and the New In.—Business Transacted.

The old Board of Supervisors held their last session yesterday morning, all the members being present.

The following business was transacted: One year's extension of time was granted to the Sierra Madre Street Railroad Company.

The County Treasurer's report, showing cash on hand on December 31 amounting to \$500,000.75 was read, and placed on file.

The Treasurer was ordered to advertise for the redemption of County bonds.

The bonds of T. F. Kenney, for supplying the county drugs, and those of W. F. Clinton, the meat contractor, were accepted and approved.

V. J. Moran was appointed as expert to appraise the property in the new road district created out of the old district, at a compensation of \$450.

Thanks were voted to Messrs. C. H. Patterson, District Attorney Deputy and T. H. Hoffman, for their services in the various matters of the board.

All allowances were made in the various matters of the board.

THE BOARD OF SUPERVISORS.

On motion the board adjourned to meet on Monday, January 9, 1899, at 10 o'clock a.m.

On motion the board adjourned to meet on Monday, January 9, 1899, at 10 o'clock a.m.

On motion the board adjourned to meet on Monday, January 9, 1899, at 10 o'clock a.m.

On motion the board adjourned to meet on Monday, January 9, 1899, at 10 o'clock a.m.

On motion the board adjourned to meet on Monday, January 9, 1899, at 10 o'clock a.m.

On motion the board adjourned to meet on Monday, January 9, 1899, at 10 o'clock a.m.

On motion the board adjourned to meet on Monday, January 9, 1899, at 10 o'clock a.m.

On motion the board adjourned to meet on Monday, January 9, 1899, at 10 o'clock a.m.

On motion the board adjourned to meet on Monday, January 9, 1899, at 10 o'clock a.m.

On motion the board adjourned to meet on Monday, January 9, 1899, at 10 o'clock a.m.

On motion the board adjourned to meet on Monday, January 9, 1899, at 10 o'clock a.m.

terms were ordered to be stopped after January 12th.

The District Attorney was ordered to commence condemnation suits against non-consenting land owners in re the Santa Monica Cliff Railroad.

Mrs. M. N. Cornelius was granted \$30 out of the indigent fund.

On motion the designated county officials were allowed to receive pay pro rata for five days' work from January 3d.

The board then adjourned sine die.

At noon the new board met. Present, Messrs. Martin, Littlefield, Brown and Perry. The oath of office was taken, and, after electing Supervisor Brown temporary chairman, the board adjourned to 1:30.

At that hour the board resumed its session, and elected S. M. Perry permanent chairman.

In re the widening of Washington-street bridge, Frederick M. Mole was allowed \$500, and Bradbeer and Hixon \$250 on depositing the proper deeds.

The board then drew from the lists the names of 50 and 500 trial jurors.

Several big bunches of vouchers were then spread on the table, and the board commenced an individual examination of the papers.

Adjourned to 10 o'clock today.

DEPARTMENT ONE.

Carrington Acquitted of Murder.

In a trial before the Superior Court, yesterday, Judge Clark presided in the place of Judge Cheney, who is absent on a brief vacation. On motion of the District Attorney, the case against D. C. Carrington, held to answer on a charge of manslaughter for the stabbing and ultimate death of Patrick Mullen, in a fight at the last municipal election, was dismissed.

George Kirby, Bill Jones, J. Gorman and P. Cochran, the four robbers who cleaned out several stores in the outskirts of town at the point of the pistol, and shot one of their victims, who resisted, were arraigned and given till tomorrow to plead.

They were also arraigned, and will plead tomorrow.

At 10 o'clock, charged with assault to murder, for shooting Yip Ah Wing, a brother high-binder, in the leg, had his bail reduced to \$1500. He was also arraigned, and will enter his plea tomorrow.

Damages Suit Transferred.

A suit brought by James E. S. L. Bernard against Wells, Fargo & Co. to recover \$2000 damages for false imprisonment was transferred from the Superior Court to the United States Circuit Court yesterday.

Bernard was arrested on the complaint of the defendants in this city, in July last, on a charge of grand larceny. He was held to answer before the Superior Court, a complaint for burglary being filed against him, and when tried he was acquitted.

Complainants claim that the arrest was malicious and baseless. The defendants have interposed numerous demurrers.

Miss Myrtle Accused.

Miss Myrtle Peek has sent a communication to THE TIMES, stating that she has accepted Miss Lizzie Williams' challenge to ride her five-mile change race at the Agricultural Park track next Friday for \$250 a side, and that she has covered the money deposited by Miss Williams with Rodman & Co.
